

NEWS FROM NORTHERN IRELAND BRANCH 267

You will be aware from the March 2026 Branch Notes that the AGM was deferred until 24 June 2026 because we were unlikely to have a quorum to enable the AGM to proceed in March. The AGM has now been re-arranged and will take place as indicated on 24 June 2026 in the Assembly Buildings, Fisherwick Place, Belfast. A Branch Newsletter, containing the Officer's Annual Reports, meeting agenda and other details, will be forwarded to you by mail in early June.

All Officer and Committee positions are now open for nomination. Current members serving in any position are requested to advise me if they are willing to serve for a further year.

I need to have confirmation from everyone, who is intending to attend the AGM, to forward their confirmation to attend, by phone, text or e-mail by Wednesday, 17 June 2026. I have pointed out previously that the sustainability of the Branch is now a real concern and, if I do not have a commitment from a sufficient number to meet the quorum, the meeting cannot proceed.

My contact details are as follows: **mobile 07719584501; E-mail:**
