

# NEWS FROM ALDERSHOT BRANCH 105

Welcome to all our members in the local area and very belatedly a Happy New Year. I trust you are all reasonably well and no serious health conditions. Where I now live, there are many folks with awful coughs, chest infections and flu viruses, bearing in mind we are mostly aged 70 and above, it seems inevitable that we become more susceptible to these types of illness.

On a less sombre note, the NFOP are presently having a membership recruitment campaign by advertising on '**Boom**' radio. Unfortunately, this station only broadcasts on DAB band radios or through an Amazon Alexa. I've often been listening to Boom whilst driving and for those of a certain age, it's certainly worth tuning into. As they say, it's run by Baby Boomers for Baby Boomers. Some of the DJ's are even older than me!

If anybody would like to join us for our coffee morning, we meet from 10.00 to 12.00 on the last Wednesday of each month at The Excelsior Club, 25, Gordon Rd, Aldershot GU11 1ND. There is parking nearby in Birchett Rd.

The Royal Mail takeover..... The Czech is in the post!

I was visiting my son recently and asked if I could borrow a newspaper. "This is the 21<sup>st</sup> Century" he said. "We don't waste money on newspapers. Here use my iPad".

I can tell you this .....that fly never knew what hit him.
