

NEWS FROM SOUTHPORT BRANCH 312

General Interest

Hello Everyone, this is the last letter for Year 2024. Sorry I have not been in touch these last few weeks, but things have been difficult for Norman and myself; as said sorry I have not been in touch as I usually do make contact, main reason being since we had to move to ==E E == its been more off than on, anyway hope its sorted now.

And can sort a get together for Christmas, which should be before you get this letter. I think we have had some happy times together and hopefully continue in to the New Year 2025. Also its been a Year of us all growing older and having complaints, no one has escaped this growing old and health, but we are looked after by our N H S thankfully. Looking forward to us meeting regularly again in 2025.

So hope you all have a Nice Christmas and Good Wishes for the New Year to one and all from Myself and the Committee, supporting me when I have need to discuss things.

Best wishes Christine Nutter
