Welcome members to your Branch Notes for September 2025. I hope you are keeping well and enjoying the summer.

Our trip to Whitby in the mini bus was enjoyed by all and the weather was kind to us enabling a good day. Unfortunately, this is the only trip we will be running this year.

The September meeting will be a social with pie/peas and an artist although by the time these notes are received it will have taken place.

In October the meeting will be a social with the usual quiz and bingo so please come along and enjoy a catch up.

November meeting will be a business one to discuss arrangements for the Christmas Social and any other business on hand – please join us.

The Christmas Social Thursday 4 December 2025 will be the usual buffet, artist, bingo and quiz - all welcome.

Please keep safe and well.
