

NEWS FROM WORTHING BRANCH 351

Dear Members

Hope you are all having a lovely summer with all this sunshine we have been having (plus a shower now and then).

In June we had a talk from Colin Turner who related details of his life as a Solicitor and many incidents which have occurred to him throughout his career, very interesting.

Our meeting in July was a talk about the recycling centre, which was very interesting too. Lots of things we didn't know!!

August is a singalong with Geoff and Pat, which was very good, they have been to us before at Christmas.

On September 3rd Eamonn Donaghy from NFOP will be coming to give us a talk about the workings of NFOP.

The following are details of our meetings up to Christmas:

- | | |
|--------------------------|--|
| 1 st October | - Russ Iden a local artist |
| 5 th November | - South Downs Film Club |
| 3 rd December | - Christmas Party |
| 28 th January | - Our usual Annual Lunch will be at the Bowls Club the same as last year on 28 February 2026 |

There's plenty going on, why don't you come and join us.
