

NEWS FROM SOUTHPORT BRANCH 312

Hello Everyone, hope you are all ok.

Since our last letter, we have had very hot weather, so hope you all coped with it; we have to have what we are given weather wise, so we met up for lunch at the Mount on Manchester Rd and all enjoyed it.

The only way to keep in touch is by the phone because of the distance in letters being sent out, and I am pleased that you keep in touch with me by phone, as it is always good to hear from you all.

I think all of us have had problems, but as said before, couldn't do without the NHS; in fact as I send this I am going about my knee tomorrow.

We had a lovely day at Joans in her garden; the weather was lovely, she calls her new Summer House The Great Escape, but her family and friends keep finding her. Her Afternoon Tea was super, and we could not ask for the wrong thing, there was more than plenty. In fact, Ian took some home with him.

I have to say A Thank You To Myra for waiting on us with teas and coffee, helping set up and putting away; this year it was donations to the Southport Lifeboat.

I will keep in contact to arrange a lunch out each month as much as possible.

Best wishes to all.
