

NEWS FROM BURY ST EDMUNDS BRANCH 139

On the 31st October We were all ready for Halloween and Trick or Treat. They were in the Street but did not ring the bell. The chocolate bars went back in the tin!

So the pumpkins have been carved and binned and we are now on the run up to Christmas. Already the Super Stores are full of Christmas decorations.

Inevitably, we have three different Christmas lunches in the same week as you do. The first for us and already been had by the time this message is published is the NFOP one, held on Monday 24 November. A new venue this year, being the Fox and Hounds at Thurston. Hopefully, this will have been well attended and everyone enjoyed themselves.

We have to thank John and Janice Davies for agreeing to represent us as our delegates at the AGM and Conference next May. They have the paperwork to complete.

Thanks also to David Gray as he begins to put together our speaker programme for next year.

Happy Christmas everyone.

Brian
