

NEWS FROM NORTHERN IRELAND BRANCH 267

1. The AGM will take place in Assembly Buildings, Conference Centre, 2- 10 Fisherwick Place, Belfast on Wednesday, 27 March 2024 (please note date change). The Branch Newsletter, which will contain the Annual Report and include a comprehensive and up to date report on all current Branch activity, will be printed and despatched to members on 8 March 2024. Therefore I'm not repeating any of the detail.
2. Magazine: A number of members, including myself did not receive a copy of the December 2023 Magazine. At the moment, the problem appears to have affected a number of members in the Bangor area but I'll be grateful if you can advise me if members any other area of NI were impacted, please.
