Outings and Social Events

By the time you receive this Branch News, we will have had our last Trip for 2025, which again was a Mystery Trip, and was on Tuesday 2nd September. If everyone comes who showed interest, we should have over 40 people on the trip. That's a lot better than previous trips we have organised. We would like to thank you all for taking part, it makes the organising feel worthwhile. Hope to see you all on next year's trips.

Barry our Social Secretary has had a fall, which resulted in hip replacement surgery, so he will be out of action for a couple of months, we all wish him a speedy recovery.

Unfortunately, sorry to have to say it, we will have to raise the cost of the trips next year. Like everything else costs are all going up, and the charges of the travel company we use is just one of them. This means that we will have to review what the Branch charges for trips.
