List of NFOP Groups

Members are able to take advantage of one of the independent local groups located across the UK run by members. The groups meet on a regular basis to provide a social environment for members to get together. Each group runs its own activities.

Choosing your group

Below is the full list of available groups by region, plus the group identity number. Once you have joined your chosen group you will receive the notes from that group with each issue of the NFOP Magazine, printed on the reverse of the address sheet.
