

Introduce Family & Friends Offer

Receive a £5 gift voucher

Helping us grow the membership

We are very grateful to our members who have introduced family and friends to NFOP over the years. We would encourage members to continue introducing as many people as possible whom they believe would be interested in joining.

Family and Friends offer

When a new application to join NFOP is a result of an introduction by an existing member, both the applicant and the existing member will receive a £5 gift voucher. The application can be for either a Single subscription or a Joint subscription.

How to introduce family or friends to NFOP

You can introduce a family member or friend to NFOP by completing the form overleaf and sending it back to Headquarters using the FREEPOST address given at the top of the form.

What happens next

Those named on the form will receive the 'About Us' information leaflet and application form direct from Headquarters. If they decide to join and return a completed application form, the gift vouchers will be issued when the new application form has been processed in full.

This offer does not include adding a partner or family member to an existing membership. Please ask HQ for the relevant form to make either of these types of changes to your membership.

Disclaimer: Vouchers are limited to one £5 voucher per new application not per person introduced. In cases of Joint subscriptions on one application form, one voucher only will be issued to the main member detailed on the application and one to the existing member making the introduction. A new membership subscription is classed as a Single Subscription or a Joint Subscription.
